TERMINAL DISCLAIMER

Sir:

Your petitioners, ACEP, Inc., Centre National De La Recherche Scientifique (CNRS), and Universite De Montreal, duly represented by the undersigned, represent that they are assignees of the entire right, title, and interest in and to:

(i) the subject Application No. 10/823,630, filed April 14, 2004; and (ii) U.S. Patent No. 6,743,877, issued June 1, 2004, as evidenced by the deed of Assignment recorded at Reel No. 010311/Frame No. 0285.

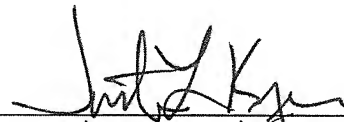

Petitioners hereby disclaim the terminal part of any patent granted on the subject application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,743,877, as presently shortened by any terminal disclaimers, and hereby agree that any patent so granted on the subject application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,743,877, this agreement to run with any patent granted on the subject application and to be binding upon the grantees, their successors or assigns.

Petitioners do not disclaim any terminal part of any patent granted on the subject application prior to the expiration date of the full statutory term of U.S. Patent No. 6,743,877, as presently shortened by any terminal disclaimer, in the event that subsequent hereto U.S. Patent No. 6,743,877 expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is the subject of any disclaimer under 37 C.F.R. 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The evidentiary documents referred to in the instant Terminal Disclaimer have been reviewed by the undersigned, and it is certified that to the best of assignees' knowledge and belief, title is in the assignees.

The undersigned is empowered to act on behalf of the assignees.

The Commissioner is hereby authorized to charge Deposit Account No. 50-1710 for the Terminal Disclaimer fee.
